

Proposed Secondary Curriculum

Lovejoy
Independent
School District

Underlying Foundation for Secondary Curriculum

Courses proposed here are based upon:

- The requirements for the Distinguished Achievement Program graduation plan.
- The requirements of Chapter 74.
- The courses that Lovejoy ISD students are currently (2002-2003 school year) taking in Allen ISD.

PLEASE NOTE: LISD will continue to monitor course selections by LISD students in Allen ISD over the next several years in order to determine if additional coursework should be included.

**For 6th Grade through 8th Grade Course
Considerations**

Career and Technology Education

CATE classes will be addressed at a later date by a committee consisting of teachers, parents and students.

CATE classes consist of courses from eight career and technology areas (agricultural science and technology education, business education, career orientation, health science technology education, family and consumer sciences education/home economics education, technology education/industrial technology education, marketing education, and trade and industrial education).

Courses will be selected from at least three of the eight career and technology areas.

Other Provisions

Alternative procedures for delivering instruction may be used:

- Correspondence courses
- Distance learning
- Dual enrollment
- High School credit for college courses
